CORPORATE & COMMERCIAL

Our CORPORATE AND COMMERCIAL DEPARTMENT is divided into Corporate Administration and Corporate Legal sections, offering a wide variety of administrative and legal services, respectively.

The Corporate Administration section offers services with regards to the incorporation as well as the ongoing administration and management (including bookkeeping and accounting services) of corporate entities in Cyprus and abroad and services pertaining, among others, to the opening of bank accounts.

The Corporate Legal section deals with all commercial and corporate procedures (among others, drafting and review of contracts, constitutional, corporate and other instruments, registration of trademarks, tradenames and franchises, re-domiciliations from/to the Republic of Cyprus, voluntary and other forms of liquidation, re-organization and restructurings, cross border and domestic mergers and acquisitions) and, in addition, it provides legal assistance, consultation and support of any kind on issues related to, among others, taxation, employment, competition, contract, real estate, intellectual property, banking, investment, regulatory compliance and gambling.

SHIPPING & MARITIME

Given the unique characteristics of the island, Cyprus will always have a prominent place in the global maritime issues. It is an internationally renowned Shipping Centre, home to some of the world's leading names of the global shipping industry, located close to the Suez Canal. The Cyprus maritime tonnage tax system, the registration procedures and fees and other maritime policies, attract numerous ship owners yearly, making the fleet of ships registered under the Cyprus flag, one of the largest fleets in the world.

The Shipping Department of our Law Firm, having a long experience and in-depth knowledge on both Shipping and Maritime Law, advising banks, owners, managers, charterers, cargo-owners and their respective insurers domestically and internationally, is able to offer its clients any kind of services related to the legal aspects of maritime affairs such as:

- Registration of Vessels, Yachts and Boats under Cyprus flag
- Registration of Vessels and Yachts in foreign jurisdictions
