

# build. better. future.

bbf: is an award-winning leader in Cyprus' real estate and development landscape. With headquarters in Limassol and a strong presence across Cyprus and Greece, bbf: has delivered over 150 residential and commercial projects, with more than 3,000 happy homeowners and a land bank exceeding 1.1 million square meters.

## shaping a better tomorrow

Creating exceptional spaces that transform everyday living and working experiences, redefining the modern Mediterranean lifestyle.

## living redefined

- **integrated expertise:** End-to-end solutions from development and design to property management and after-sales support.
- **prime locations:** Close to amenities, schools, healthcare, and transport hubs.
- **lifestyle communities:** Premium amenities including pools, gyms, spas, gardens, and smart home features.
- **sustainable living:** Eco-conscious construction and energy-efficient technologies integrated into every project.

**experience the future of Mediterranean living with bbf:**
